1) After the return of Mr. B. Mr. Gurubasappa has earned an increment since January 1938, and the action is separately being taken to permit him to draw his pay of Rs 165/- from the date of his joining duty viz. 8-8-38.

2) In para 4 of his letter the Supdt has reported that Mr. Gurubasappa is in receipt of emoluments aggregating to Rs 215/- p.m. He therefore requests that on appointment as Asstt. Supdt., Mr. Gurubasappa

43) I have discussed the question with the Superintendent, Government Printing. His further letter dated 26th November (received on 28th) is submitted for perusal. The statement attached to the above letter furnishes details of the periods during which Messrs. Shamanna and Gopala Iyengar have acted as Sub Assistant Superintendents. Mr. Shamanna was appointed acting Sub Assistant Superintendent for the first time in December 1935 in the vacancy caused by the grant of two months' leave to Mr. Venkatasubba Rao, who was then Assistant Superintendent. While recommending his case the Superintendent has observed as follows:-

"As the vacancy relates to a gazetted officer's appointment on the superior establishment of the Press, it appears reasonable to consider the claims of officials on the establishment of both the Government

Serial No.

Government Press and the Stationery Depot and I have therefore recommended the appointment of Mr.K.Shamanna who is the most senior official in the two offices as acting Sub Assistant Superintendent during the above period of leave

44) He was promoted for the second time when Mr.Daniel took leave for a month from 20-4-1936 to 20-5-1936. No specific reason was given as to why Mr.Shamanna was preferred to Mr.Gopala Iyengar in filling up this vacancy.

45) He was promoted for the third time in the vacancy caused by the promotion of Mr.Venkatasubba Rao as Superintendent from 19-5-1938. Mr.Gopala Iyengar was continuing as Sub Assistant Superintendent on this date in the vacancy caused by the deputation of Mr.Gurubasappa, Assistant Superintendent, for foreign training. While recommending the promotion of Mr.Shamanna in the above vacancy the Superintendent has remarked that the official possesses high educational qualifications and has acquired a good knowledge of office procedure and of the special features of work in the press. The distribution of work was also modified so as to place all the Working Branches and Press Stores under Mr.Gopala Iyengar and the Press Office, Stationery Depot, Forms Branch and Despatching Branch under Mr.Shamanna.

46) Mr.Gopala Iyengar has been promoted as Sub Assistant Superintendent on four occasions as detailed below:-

(1) From 8-5-1936 to 29-5-1936 vice

NOTE # Contn. Sheet.

ice Mr Gurubasappa granted leave.

(2) From 17-5-1937 to 17-6-1937 vice Mr.Guru-asappa granted leave.

(3) From 12-8-1937 to 18-8-1938 vice Mr.Guru-basappa on deputation to England.

(4) From 10-11-1938 vice Mr Gurubasappa appointed Assistant Superintendent, Government Branch Press, Mysore.

Mr.Shamanna has acted in an earlier vacancy though the total period during which he has acted as Sub Assistant Superintendent is less than that of Mr.Gopala Iyengar, being only 9 months and days as against 14 months and 4 days of the latter. In the long vacancy of 11 months and 20 days which was caused by the deputation of Mr.Gurubasappa for foreign training, Mr.Gopala Iyengar was preferred for promotion and in doing so, the Superintendent has observed that the claims of Messrs.K Shamanna and C.Krishnaswamy Iyengar were not taken into consideration as they were not in touch with the working branches and could not manage the work of these branches. He has further stated as follows in his letter dated 23-8-1937:-

× para 2 of "I"

× para 4 of "I"

"Mr.Gopala Iyengar has risen from the ranks and has all along been in charge of the working departments and knows how to manage work and men. He is familar with the internal working of the Press. Messrs.K.Shamanna and C.Krishnaswamy Iyengar, have, on the other hand, come up in the ministerial line and have not been in charge of the working branches at any time. Both of them are no doubt doing good work in their respective places, but not having experience of the technical branches and ability to control workmen, they

Serial No.

they are not suited for the post now vacant. All aspects of the question have been considered before recommending Mr.B.Gopala Iyengar, in preference to his seniors."

48) Mr.Venkatasubba Rao feels that Mr.Shamanna will not be able to supervise the Working Branches and if only the Press and Stationery Offices are entrusted to his charge the work will be too light for him and that the supervision of all the Working Branches will be too heavy for the Assistant Superintendent. He also thinks that no redistribution of work is possible as Mr.Daniel the other Sub Assistant Superintendent is not also a technical man and will not be able to relieve the Assistant Superintendent of any portion of his supervision work over the Working Branches.

49) His attention was drawn to the proposals made by him in his letter dated 16th April 1938 to which he has stated in reply that the arrangement contemplated therein was intended to be only a temporary one, that it is not necessary to make it a long-standing arrangement as Mr.Shamanna could supervise only the Press and Stationery Offices and even that only so far as the administrative aspect was concerned, that he would not be able to give useful assistance in the many technical problems that might arise in regard to these branches and that he will not be of assistance in dealing with the Forms

Even taking into account the gross emoluments now drawn by Mr. Gurubasappa (Rs 215/-) the proposal to allow him Rs 240/- appears to be in excess of the needs and is not acceptable to the Finance Department. I would respectfully suggest that even if special consideration is cal for, he may be allowed to draw Rs 240/- after one y instead of after two years.

Subject.—

Proposals in regard to filling up the vacancies in the cadre of Assistant and Sub Assistant Superintendents of the Gover ment Press consequent on the appointment of Mr.B.Venkatasubba Rao as Superintendent.

In November 1937 Mr. B.Gopaliengar, General Foreman, Gover ment Central Press, was appointed to act as Sub Assistant Superin tendent in place of Mr. D.S. Gurubasavappa, Sub Assistant Superin tendent, deputed to England for training for one year with effec from 12th ~~September~~ August 1937. In April 1938 Mr.B.Venkatasubba Rao, Assistant Superintendent, Government Central Press, Bangalore, was appointed to act as Superintendent, Government Printing and Stationery, during the absence of Mr. B. Srinivasiengar, Superintendent, on privilege leave for two months with effect from 12th Apr 1938 preparatory to retirement from service and Mr.Venkatasubba Rao was confirmed in that appointment with effect from 12th June 1938. Mr. K. Shamanna, Head Clerk, Government Central Press, was appointed in May 1938 to act as Sub Assistant Superintendent in the vacancy consequent on the promotion of Mr.B.Venkatasubba Rao, Assistant Superintendent, as acting Superintendent, from 12th Apr 1938.

In the vacancy of the Assistant Superintendent of the Government Central Press caused by the appointment of Mr.B.Venkat subba Rao as Superintendent, the Superintendent recommends that Mr. D.S. Gurubasavappa, Sub Assistant Superintendent, Government Central Press, Bangalore, on Rs.165 in the grade Rs.125-10-175 who rejoined duty in the Press on 8th August 1938 after completing his studies in advanced printing in England, may be appointed Assistant Superintendent, Government Central Press, and given one advance increment and started on Rs.240 in the grade Rs.200-40/2-400 from 8th August 1938, in view of his present emoluments aggregating Rs. 215 per mensem and of the high qualifications acquired by him. I agree with the Superintendent and am of opinion that Mr.Gurubasavappa may be given an advance increment; as otherwise the officer

will lose in his emoluments by his promotion.

To fill up the post of ~~the~~ Sub Assistant Superintendent will be released by the promotion of Mr. D.S. Gurubasavappa, as Assistant Superintendent, the Superintendent recommends that Mr. Gopaliengar, General Foreman, Central Press, (on Rs.100 in grade Rs.75-5-100), who has acted as Sub Assistant Superintendent on previous occasions, may be appointed temporarily as Sub Assistant Superintendent and states that Mr. B. Gopaliengar has been preferred to Mr. K. Shamanna, Head Clerk, on account of his experie in the working branches of the Press. He says that Mr.Gopalieng who has received a thorough training in all the working branches can relieve the Assistant Superintendent of a good deal of techr cal details and thus enable him to attend to the important work supervision of branches and co-ordination of work in the Press a whole. I consider that Mr. Gopaliengar may be preferred to Mr K. Shamanna for reasons mentioned by the Superintendent. The promotion of Mr. Gopaliengar as Sub Assistant Superintendent tem porarily will take effect from the date Mr.B.Krishnaswami Chetty Assistant Superintendent, Government Branch Press, Mysore, retur to duty after availing himself of the privilege leave of absence for two months granted to him in the Notification dated 27th Oc ber 1938.

The above proposals have been agreed to by the Dewan and the First Member of Council, and I solicit the gracious approval of His Highness thereto.

In the vacancy of the Assistant Superintendent, Gove
ress caused by my appointment as Superintendent, Government
ng, Stationery and Book Depot, I beg to recommed that
S. Gurubasavappa, B.Sc., Sub-Assistant Superintendent may b
ted as Assistant Superintendent in the grade of Rs.200-40/2
he date of his rejoining duty in the Press after completing
studies in Advanced Printing in England.

2) He was appointed Press Probationer, ten years ago,
received training first in this Press and later in the Madras Gov
ment Press and passed the several Examinations in Printing and Al
subjects during his probationary period. He worked as General F
man till 1934 when he was appointed Sub-Assistant Superintendent.
He acted as Assistant Superintendent for two months in a leave
vacancy during the year 1935-36. During all these years he has
discharged his duties very satisfactorily and his good work has b
brought to the notice of Government by the previous superintenden

3) In August 1937, he was deputed for specialising in Pri
ing and Reproduction Processes in the Leeds College of Technology
for one year on a Damodar Doss Scholarship. He has acquitted hi
self very creditably in his studies and has passed the Examinatio
in the first class with distinction. During the period of his depu
tation he has also studied the Costing system of Federation of the
British Master Printers and has passed the Examination of a very high
standard which is held by the Federation for the award of the Diploma

4) As regards the pay on which he is to be started in the

the grade, I beg to state that he was drawing Rs.155/- in the grade of Rs.125-10-175, as Sub-Assistant Superintendent from 1-1-1937 and that the next increment raising his pay to Rs.165/- has accrued to him from 1-1-1938. He was provided with rent-free quarters which may be estimated as an addition to his emoluments of Rs.30/- per month. He was allowed to receive the honorarium of Rs.200/- per year (which works out nearly to Rs.20/- per month) for attending to the printing of the question papers of the Mysore Local Service and Pleaders' Examinations. He is thus in receipt of emoluments aggregating Rs.215/- per mensem.

On appointment as Assistant Superintendent, Mr. Gurubasavappa will not have the benefit of the rent-free quarters and the honorarium of Rs.200/- per year as he will have to be in charge of the Press and Stationery Offices and some of the Working Branches and General Supervision over the other Working Branches. To compensate him for the loss of these emoluments and in recognition of the distinctions earned by him in studies in England, I beg to recommend that he may be given an advanced increment and started as Assistant Superintendent on Rs.240/-in the grade of Rs.200-40/2-400/- with effect from the 8th August 1938 FN. This will give him only a small promotion of Rs.25/- over the present emoluments received by him and is very modest in view of the high English qualifications acquired by him.

6) I request early favourable orders of Government in the matter.

7) The proposals for the appointment of Sub-Assistant Superintendent, etc., are submitted separately.

I have the honour to be

SIR,

In continuation of my letter No.P.1110, dated 13th septemb 1938, recommending that Mr. D.S. Gurubasavappa, B.Sc., Sub-Assista Superintendent, Government Press, may be appointed as Assistant Superintendent, I beg to submit for the consideration of Governmer consequential arrangements for filling up the vacancy of the Sub-Assistant Superintendent.

(1) Mr. B. Gopaliengar, General Foreman, may be appointed Temporary Sub-Assistant Superintendent in charge of the Working Branches. He joined the Press about 18 years ago and worked as an apprentice in all the Branches of the Press for five years from 1920 to 1925 and received thorough training in Printing. He was appointed Machine Foreman in 1926 and then ~~the~~ General Foreman in 1934. He has also acted as Sub-Assistant Superintendent on three occasions when Mr. Gurubasavappa was on leave and on deputation for advanced studies in England, for a total period of more than a year.

He is energetic and painstaking and discharges his duties very satisfactorily, which has been testified to by the previous Superintendents Mr. B. Puttaiya and Mr. B. Srinivasa Iyengar, when recommending him to be appointed as Machine Foreman, General Foreman and acting Sub-Assistant Superintendent. I, therefore, beg to recommend that he may be appointed as Temporary Sub-Assistant Superintendent to be in charge ... some of the Working Branches. The distribution of work between the Assistant Superintendent and the Sub-Assistant

Superintendent will be as follows:-

Mr. D.S. Gurubasavappa, Assistant Superintendent, will be in immediate responsible charge of the Stationery Depot and be in charge of the following branches:-

1. Press Office, 2. Formes Branch, 3. Despatching Branch, 4. All Composing Branches, 5. Proof-Branch, 6. Press Stores, and exercise general supervision over the other Working Branches of the Press.

Mr. B. Gopaliengar, Sub-Assistant Superintendent, will be in charge of the following branches:-

1. Machine Branche 2. Binding Branch, 3. Warehouse and Type-casting, 4. Mono Branches, 5. Carpenter's Shop, 6. Standing Room, 7. Litho and Embossing Branches and Fitter's Shop.

He will reside in the official quarters attached to the Press and be responsible for the Conduct of all work received into the Press.

(2) Mr. C. Rangiah Chetty, Machine Foreman, in the grade of Rs.50-6-80, who has acted as General Foreman previously, to be appointed as General Foreman Temporary, vice No.1.

(3) Mr. T.N. Sripada Rao, the Senior Composing Foreman in the grade of Rs.50-2-60, who has acted as Machine Foreman previously to be appointed Machine Foreman Temporary, vice No.2.

(4) Mr. V. Ramiah, Composing Foreman, in the grade of Rs.45-1-50, who has acted, as Senior Composing Foreman, previously, to be appointed as Senior Composing Foreman Temporary, in the grade of Rs.50-2-60.

2. The appointment of Mr. K. Shamanna, B.A., LL.B., Head Clerk, Government Press, as acting Sub-Assistant Superintendent, against the vacancy of the Assistant

(47

Superintendent to be in charge of the Press and Stationery offices sanctioned in Government Order No.G.9149/P. & S. 84-37-3, dated 18-5-1938, will have to be counted against the vacancy of the Sub-Assistant Superintendent, from the date of Mr. Gurubasavappa's return to duty from his deputation, till the date of appointment of Mr. Gopaliengar, as Sub-Assistant Superintendent, in charge of Working Branches.

3. In this connection it is necessary to mention that two Press Probationers have been appointed to be trained for taking up responsible positions in the Press. Of these, the senior Probationer is in the second year of training and will complete his two years' training in December 1938, and the Junior Probationer will complete his training nearly a year thereafter. I have in my letter No.P.248, dated 16-7-38, submitted proposals for holding an examination in the Letter Press Printing in the year 1939, so as to give them an opportunity to pass the prescribed examinations during the period of their probation. The question of their training in advanced printing in England has to be taken up at once, as the English Schools in printing have their seats booked a year in advance. I shall submit detailed proposals for the consideration of Government at an early date. After they successfully undergo their course in England they will have to be absorbed in the Gazetted staff of the Press. It is therefore necessary to make arrangements for the filling up of the Sub-Assistant Superintendent's vacancy on a temporary basis pending the completion of their training of the Probationers here and in advanced printing in England.

I request that my proposals for filling up the

vacancy of Sub-Assistant Superintendent may be sanctioned early.

I have the honour to be,

With reference to the correspondence ending with your letter No. P.1311 dated 26-9-38, submitting for the consideration of Govt. proposals for filling up the vacancies of Asstt. and Sub-Asstt Supdts of the Govt. SIR,

With reference to your letter No. G. 4525/P&S. 37-38-3, dated the 11th instant, requesting to be furnished with certain additional information in regard to the proposals for filling up the vacancy of the Assistant and Sub-Assistant Superintendents of the Government Press and the consequential arrangements to be made, I have the honour to state as follows:-

1. Mr. D. S. Gurubasavappa's promotion as Assistant Superintendent has to take effect from the date of his rejoining the Press, i.e., 8th August 1938, after completing his training in England, as already recommended in my letter No. P. 1110, dated 1-9-1938. The other consequential arrangements will have to take effect from the date Mr. B. Krishnaswamy Chetty, Assistant Superintendent Government Branch Press, returns to duty after availing himself of the leave granted to him.

2. As regards the supersession of the claims of Mr. K. Shamanna to the post of the Sub-Assistant Superintendent, I may state that Mr. Shamanna has had no technical training and has never been in touch with the working branches. He has been given a personal grade of Rs. 100-5-125 in G.O.No. G. 4958-9/P&S.15-35-6, dated 16/17th December 1935 and is drawing Rs. 115/- from 16-12-1937. After he reaches the maximum of his grade and has to wait without promotion for a number of years, the question of enhancing his grade may be taken up. His case, however, does not arise in connection with the vacancy of Sub-Assistant Superintendent which requires a thorough training in all the working branches.

I request, therefore, that sanction to the proposals submitted by me may be kindly accorded at an early date.

I have the honour to be,
Sir,
Your most obedient servant,

B Venkatasubba Rao

Superintendent.

Through

The Superintendent,
Government Printing in Mysore, Bangalor

Respected Sir,

I beg to submit the following application to your kind and favourable consideration.

1. I have put in over fifteen years of service in the Government Press, during the major portion of which I have worked as Head Clerk and latterly acted as Sub-Assistant Superintendent on three occasions as kindly sanctioned by Government in their Notifications Nos. G.5857/P. & S. 47-35-4, dated 21st January 1936, G.9287/P. & S. 74-35-4, dated 8th May 1936 and G.9149/P. & S. 84-37-3, dated 18th May 1938. The acting arrangement made in the vacancy of the --- Assistant Superintendent is now proposed to be changed involving my reversion to my substantive appointment and this has necessitated the submission of the full facts of my case.

2. As already submitted in Para 1 above, I have held the post of the Head Clerk for a number of years and have suffered stagnation. If even in the present vacancy in which I could aspire for the -- betterment of my prospects in the usual course, my claims are --- denied due consideration, there will be no further opportunities for me to rise during the remaining years of my service and the stagnation will be complete.

3. During my service in the Press I have met with severe -- handicaps. When I applied for a Probationer's Post, in the year

1924, I was not favoured with that appointment; neither was I given an opportunity to work in the technical branches of the Press all these years. But my claims, which could have at least been --- considered when the Book Depot was transferred to the Press, were passed over at the time. Thus neither in the technical nor in the general line my service and claims received any consideration.

4. In this connection, I beg to show that this state of -- affairs was not caused by any drawback or inefficiency on my part. Whatever work I was given I have done conscientiously and to the satisfaction of my officers. This statement is borne out by the opinions furnished by the previous Superintendents which are reproduced below.

(i) As early as 1930, Mr. B. Puttaiya, the then Superintendent wrote as follows :-

" Mr. Shamanna is a young man of good educational qualification and has also passed the Proof reading Higher Examination. He has had good experience of Proof and Office branches and has been doing satisfactory work ".

(ii) Four years later, i.e., in 1934, the same officer frankly expressed as noted below :-

" During the last eleven years of his service, he has worked satisfactorily and has shown himself as trustworthy and -- capable of discharging his duties. It was not found necessary to post a Gazetted Officer for office work, as a well educated and experienced double graduate youngman was holding the post of the Head Clerk and as he could cope with the work himself. He has justified this expectation creditably and has shouldered the heavy work of the office with considerable ability and has rendered useful assistance to me in that branch ".

(55

(iii) The next Superintendent Mr. B. Srinivasa Iyengar has also concurred with the above views as kindly seen from the --- following lines written by him in the succeeding year.

" Mr. Shamanna is a young man of good parts and he has acquitted himself well in the discharge of his duties ".

He also held out a promise in one of the letters -- addressed to Government in 1937 that when a suitable vacancy arises, he would not hesitate to recommend my case. I beg to state that only years of hard work have elicited these opinions and I feel confident that the present Superintendent under whom I have served and have been serving will not disagree with the opinions of his two Predecessors.

5. It will not be pertinent for me to touch upon the proposals now under consideration of Government, but I may be permitted to -- state their consequences upon my duties and responsibilities.

(a) The Assistant Superintendent is proposed to be in charge of office work as well as some working branches. I need not mention that the volume of work in the Press and Stationery offices, as also the allied branches, viz., Forms Branch, Despatching Branch, Gazette office and the office of the Registrar of Authorised Publications is too tight for one Officer to look after. As he is to be in charge of composing branches, etc., he has to be relieved, in actual --- practice, of some office work and it will naturally devolve upon me though reverted to my former place. This is not a new situation created now, but has all along been existing and recognised by the Superintendent. Please vide Para 4 (ii) supra. This may be -- kindly remedied at least now, as a suitable opportunity has presented itself.

(b) There have been precedents in the past where out of two officers, one officer has been placed in charge of ~~office branches~~ Technical branches and the other in charge of office branches, the

(56

duties and functions of the two officers being mutually exclusive.

(c) These precedents are in conformity with the provisions contained in Para 13 of Government Order No.G.14823-80/P. & S. 66-29-2, dated 27th June 1930, which direct among other things, that there should be two Gazetted Assistants, one in charge of Press Proper and the other in charge of Stationery and Forms Sections. This system was in vogue for a number of years prior to 1934.

These facts are relevant just to show that my reversion is not inevitable in the interests of work and that my seniority can be preserved by slight adjustments.

6. In view of all the above circumstances, I earnestly -- solicit that Government may be graciously pleased to take into -- consideration my seniority in service and grade, my qualification, experience in the Department and the good work done by me all along and to grant me the post of the temporary Sub-Assistant Superintendent, at least, if I cannot be confirmed in the present arrangements. This will relieve stagnation and offer encouragement to me to -- continue my work with renewed zeal and enthusiasm.

7. In conclusion, I once again solicit that Government may view my case with sympathy and generosity and find their way to grant my prayer.

8. I Submitted this application to the Superintendent, Govt Printing on 12th Oct 1938, but unfortunately it has not been forwarded to Govt. As my claims are likely to be prejudiced for want of full information, I am submitting herewith a copy of it for Sympathetic Consideration of Government

I beg to remain,

In continuation of my letter No.P.1964, dated 15/18th Nov. 1938, and of my personal interview with you this afternoon, I beg to enclose herein a note showing the several occasions on which Messrs. B. Gopalaiengar and K. Shamanna have acted as Sub-Assistant Superintendents. It will be seen that Mr. B. Gopalaiengar has acted as Sub-Assistant Superintendent for periods aggregating 14 months and 4 days while Mr. K. Shamanna has acted in the same capacity for periods aggregating only 9 months and 7 days. In this connection, I beg to invite kind reference to this office letters No.P.222, dated 21-7-37, P.586, dated 23-8-37 (Confidential) and my letter No.P.1964, dated 15/18-11-38, furnishing the reasons why Mr. B. Gopalaiengar has to be preferred to Mr. K. Shamanna. It is true that Mr. K. Shamanna was appointed to act as Sub-Assistant Superintendent vice Mr. Gurubasavappa appointed to act as Assistant Superintendent, as per Notification No.4739/P. & S. 47-35-4, dated 9-12-1935, granting 2 months' leave to Mr. B. Venkatasubba Rao, Assistant Superintendent. The period was short only 2 months, and Mr. Shamanna was in charge of only the Press and Stationery Offices and all the Working Branches had to be attended to by Mr. Gurubasavappa, which is too heavy a charge for one officer. This was a purely temporary arrangement and it is not necessary to make it a long-standing arrangement as Mr. K. Shamann can supervise only the Press and Stationery Offices and even that only so far as the administrative aspect is concerned, but will not be able to give useful assistance in the many technical problems

that arise even in matters relating to those branches and will be quite unable to handle any of the working branches. He will not be of assistance in dealing with the Forms Branch or the several Working Branches, which will constitute too heavy a charge for the Assistant Superintendent. On the other hand Mr. Gopalaiengar, who has received through training in all the Working Branches can relieve him of a good deal of technical details and allow him to attend to the important supervision of branches and co-ordination of work in the Press as a whole. It is also not possible to reallocate the work between the Sub-Assistant Superintendents as Mr. D. Daniel, the other Sub-Assistant Superintendent, who is available, is also not a technical man and will not be able to relieve Mr. Gurubasavappa of the technical work in the

Mr. K. Shamanna, B.A., LL.B., has acted as Sub-Assistant Superintendent on the following occasions:-

1. Vice Mr. D.S. Gurubasavappa, B.Sc., Sub-Assistant Superintendent, appointed to act as Assistant Superintendent, Government Press, Bangalore, as per Government Notification No.4739/P. & S.47-35-4, dated 9th December 1935, granting leave to Mr. B. Venkatasubba Rao, B.A., LL.B.,

PERIOD .. 16-12-35 to 16-2-1936 (Two Months).

2. Vice Mr. D. Daniel, Sub-Assistant Superintendent, Government Press, Bangalore, granted one month's privilege leave as per Notification No.G.8077/P. & S.74-35-2, dated 2/4-4-1936.

PERIOD .. 20-4-36 to 20-5-36 (One Month).

3. In the vacancy consequent on the promotion of the Asst. Superintendent, as Superintendent as per Notification No.G.9149/P. & S.84-37-3, dated 18-5-1938.

PERIOD .. From 19-5-38 (still continuing)

Total period during which he has acted as Sub-Assistant Superintendent is 9 months and 7 days.

Gopala Iyengar has acted as Sub-Assistant Superintendent on the following occasions:-

1. Vice Mr. D.S. Gurubasavappa, Sub-Assistant Superintendent, granted 3 week's privilege leave as per Government Order No.G.8994/P. & S.87-35-2, dated 1-5-1936.

PERIOD .. 8-5-36 to 29-5-36 (3 weeks.)

2. Vice Mr. D.S. Gurubasavappa, Sub-Assistant Superintendent, proceeding on leave (one month's privilege leave) from

from 17-5-37.

PERIOD .. 17-5-37 to 17-6-37 (one month)

3. Vice Mr. D.S. Gurubasavappa, Sub-Assistant Superintendent, proceeding on deputation to England as per Government Order No.E.354-5/Edn.33-37-1, dated 17-7-1937.

PERIOD .. 12-8-1937 to 8-8-1938 (11 months and 26 days)

4. Vice Mr. D.S. Gurubasavappa, appointed to act as Assistant Superintendent, Government Branch Press, Mysore, from 10-11-38 (Now continuing).

Total period during which he has acted as Sub-Assistant Superintendent is 14 months 4 days.

The reason for which Mr. B. Gopala Iyengar was preferred to Mr. K. Shamanna is given in this office letter No.P.222, dated 21-7-37. It is stated that Messrs. K. Shamanna and C. Krishnaswamy Iyengar are not in touch with the Working Branches and cannot therefore manage the work of these branches.

Dear Sir,

In reply to your D.O. letter No.G.6956/P.& S.37-38-8 dated 18th January 1939, stating that suitable action may be tal against Mr. K. Shamanna, Head Clerk of this office, for having submitted a representation to Government direct on 24th Novembe 1938, I write to state that he has been warned for the breach o standing orders and discipline.

As regards the submission of his representation to Government, I may state that the grounds on which his claims we not taken into consideration in a technical vacancy have been a ready reported to Government in letter No.P.222, dated 21-7-1 His representation related to a promotion in a technical branch for which he was not fitted and there was no supersession of hi claims. I am respectfully of opinion that the appeal petition referred to in Article 148 of the Manual of General Circulars a Standing Orders refer to cases of punishment and supersession against which an appeal lies to Government against the orders o the Head of the Department. In these circumstances it was considered unnecessary to submit his representation, especially as the grounds on which his claims were left out of consideration had already been reported to Government and accepted by them.
